

SDS TUESDAY HIKING - 2024/2025 Season

Hikers meet at 8:30 on Tuesdays in parking lot by the 4th street mailboxes and carpool to hike location. (On cold mornings in December and January, We may delay start until 10:00)

11/5 Salt River - Phon D. Sutton Hike - 4.6 mile easy out and back hike on trail near the Salt River. Park just off Bush Highway west of the road going into the Phon D. Sutton Recreation Area. The hike is along the Salt River out to and back from the Phon D. Sutton Recreation Area. Might see wild horses in this area.

11/12 Arnett Creek Trail - 5 mile easy hike out and back on part of the Pickett Post Loop Trail. We will start at the Pickett Post Trailhead and head east on the trail that follows along Arnett Creek.

11/19 Usery Mountain Regional Park (Park at end of Crismon) 3.5 mile easy, flat desert trail. 2.5 hours. Loop hike on Levee, Moon Rock, Blevins, Noso and Channel trails back to Crismon.

11/26 Blue Point Recreation Area - About 3 miles out and back easy hike along the salt River and then on a trail which runs north to a rock oven which was used to cook down limestone to make coke fuel. Park at the Blue Point parking area which is just east of the Salt River bridge on Bush Highway. Might see wild horses on this hike.

DECEMBER

12/3 - Wild Horse Trail Off Usery Pass Road - 4 miles out and back with about a 500 foot gradual decent in elevation on the way out and then ascent on the way back. Park on west side of Usery Pass Road not too far north of the Bulldog Canyon Trailhead.

12/10 Willow Springs/Bulldog Canyon Trail head off Hwy 88 - 3- 4 mile moderate difficulty desert trail with some elevation change. We will do an out and back straight west rather than turning north to loop around the Willow Springs Basin Tank. (3 hours)

12/17 Hawes Trails off Power Road near CAP canal - Moderate hike with 350 ft. elevation change. 4.0 miles out and back on Ridge and Granite trails to the North leg of Saguaro Trail.

12/24 Hackberry Springs from First Water Road - 5 mile easy/moderate hike with some elevation change.

12/31- Three Bears Rock Formation - The hike is a moderate 5.2 miles out and back on the Dutchman's Trail from the Peralta Trail head to the junction with the Coffee Flats trail. Easy to moderate desert trail with quite a bit of traversing up and down through washes with about 600 ft. in elevation change.

JANUARY 2025

1/7 EJ Peak (Lone Mountain) - Moderate out and back 2.3 mile hike with 760 foot gradual climb up Lone Mountain and then descend on the way back. Park at Bulldog Canyon Trailhead on Usery Pass Rd. An optional hike from this trailhead with less difficulty would be to take the Maricopa Trail which leads toward Pass Mountain.

1/14 Superior To Claypool Tunnel - This is a moderate difficulty hike with 4.6 miles out and back with 708 foot gradual ascent out and then descend on the way back. We drive east to Superior on Hwy. 60, exit at AZ 177/Ray Road. Go left which becomes South Magma Ave. Trailhead is just past W. Heiner Dr. and is called the Magma Ave trailhead.

January hikes continued next page

JANUARY HIKES continued

1/21 Butcher Jones Recreation Area Plus Picnic Lunch - 5 mile easy, very scenic hike around southeast shore of Lake Saguaro to Burro Cove. It is a little rocky in places. Weenie roast/picnic after hike. Collection to be made for cost of food.

1/28 Praying Hands rock formation starting from 1st Water Trail head road. Take Jacob's Crosscut to Treasure Loop Trails

- Option 1: Treasure Loop Trail only. 4.0 mile moderate difficulty with about 500 ft. elevation change. 2.5 hours. Take Jacob's Crosscut trail from 1st water road to Treasure Loop and circle back to Jacob's Crosscut.
- Option 2: Treasure Loop Trail plus path to Praying Hands. 4.5 miles with 900 ft. elevation change. Hike north half of Treasure Loop and then take path up to Praying hands and return on south half of Treasure Loop.

FEBRUARY

2/4 Maricopa Trail/Pass Mountain - We split into 2 groups with one group parking at Meridian Trail head and other group starting at Bulldog Canyon Trail head on Usery Pass Rd. - 5 mile moderate/difficult hike with 500 ft. elev. change when hiking from Bulldog Canyon Trail head and 700 ft. climb coming from the Meridian Trail head. The group starting at the Bulldog Canyon Trailhead will hike the Maricopa Trail to the Pass Mountain trail, go left and hike the Pass Mtn. back to the Meridian parking lot. The Meridian group will hike to the Pass Mtn. trail, turn right, climb to the saddle, stay on the Trail, turn right on Maricopa trail and proceed to Bulldog parking lot. Groups exchange vehicle keys in the middle.

2/11 Siphon Draw/Jacobs Crosscut - 3-4 mile out and back starting on Siphon Draw trail and then go south on Jacobs Crosscut trail. Park off of Mckellips Blvd. east of old Mining Camp restaurant.

2/18 - Hieroglyphics Canyon - A moderate difficulty, 3 mile hike up the foothills of the Superstitions from the Trailhead in Gold Canyon. The hike has a gradual 600 ft. elevation change going out and down hill coming back. There are Native American Hieroglyphics etched on rocks at the end.

2/25 San Tan Mountain Regional Park in Queen Creek - We will start at the visitor center and do the Moonlight Trail out to end and return via Stargazer and San Tan Trails. 3 miles. Easy to moderate hike with some elevation change. The visitor center has a small zoo with some desert creatures.

MARCH HIKES

3/4 Arizona National Trail Passage 18 - 4 mile easy hike out and back on part of the Arizona National Trail. We will start at Pickett Post Trailhead and pick up the Passage 18 trail at the north end of the trailhead and hike north going under highway 60 out 2 miles and turn around.

3/11 Silly Mountain - Easy to moderate hike with approximately 200-300 feet elevation change. 1.5 to 2 hours. Palo Verde trail to Superstition View trail to Old Baldy trail to Crest Trail to Old Mine trail to Brittlebush Trail.
